CHERISHED MEMORIES

Pauline Burner dedicates a new plaque in the village hall in honour of dear departed friends, Eve & Ted Gardiner 'for their friendship, ever generous spirit and gifts to our community' – not least, our comfortable new chairs. Pauline kindly organised Eve's house clearance, contributing to the legacy funds.

HEARTSTART courses teach CPR and other emergency life saving skills and are free to attend. They are supported by the British Heart Foundation and arranged locally by Kingsbridge Rotary Club.

We have a two-hour session in Frogmore Village Hall starting at 7.00pm on Friday, 20 January. If you haven't signed up for the session, there may still be space. Please contact Pauline Howells. Tel 01548 531703 or email paulinehowells@hotmail.com.

Our Defibrillator Application

Our British Heart Foundation village defibrillator grant application is still to be determined due to a backlog of work at the South West Ambulance Service NHS. They are required to look into each case. All being well we will hear the outcome by Christmas!

FIREWORKS IN FROGMORE!

Come fierce rain and gusting wind there's no escape for Guy Fawkes in Frogmore! A good crowd joined in the 5th November village party this year, despite challenging weather conditions. The procession of the guy made its way from the Village Hall to Perraton Field where the bonfire burned brightly and fireworks eventually burst into life – some a little later than others!

Thanks go as ever to George and Ruth Howard for making another magnificent guy. And to Tim Gray, joined this year by Paul Harding, who together battling through the rain to get the fireworks lit. Special thanks go also to David Heath and Edward Perraton for supplying and lighting the bonfire. Meanwhile, returning to the hall, our tireless volunteers kept spirits high with welcome refreshments, including mulled wine and BBQ burgers. Congratulations to all!

MOSAIC PICTURE OF FROGMORE

Just to all let you know that we have now placed our wonderful mosaic picture of our village on the outside wall of the village hall by the door for the time being. The Committee is awaiting Parish Council approval to erect the picture by the bridge in the centre of Frogmore.

BANGERS AND MASH SUPPER

A big 'thank you' to all who made the November 'Bangers and Mash' supper party such a success. The village hall was full to the brim and the catering team, led by Pauline & Eileen was magnificent. The lusty 'Old Gaffers' sea shanty crew entertained us royally after supper and invited all to join in with rousing choruses.

Proceeds from the evening will help meet our village defibrillator installation and running costs.
