CREEKSIDE LAWN, STABBS LANE, FROGMORE

The lawn has now been cleared of debris and brambles to make a much larger space. A working party was set up to arrange this. After much clearing, the lawn now looks great and the stone wall has been made good. A canoe/kayak store has been built and the site really adds to the beauty of the Creek. A huge thank you to the working party – they have worked so hard to make this a lovely spot to sit and admire the view rather than a rough area and a bit of an eyesore.

CREEKSIDE FAIR IN FROGMORE– 27 AUGUST

The weather was a bit cold and wet, but the sun occasionally came out! The marquee was erected on the Creekside Lawn and lots of locals and friends came to join in and have fun! There was plenty to drink including beer, Pimms or a cup of tea or coffee. We sold hot dogs, strawberries and cream and cakes. There was plenty of fun for the children including welly throwing, other children's games and mud races on the shore of the creek. Adults took part in welly throwing too.

It was great to see so many people there and to catch up with fellow residents and families.

A very big thank you to the FVCA for arranging this event and also to other residents whose help was invaluable.
