YOUTH CLUB

Our Chairman, Tim Trumper is considering running a Youth Club for 7–11 year olds'. This will run from October half-term to February half term. For 1 ½ hours. He will put together a programme of events. For those interested, please keep looking on Spotted Frogmore.

OPEN GARDEN DAY

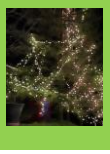

Calling all keen gardeners in Frogmore – do you have a garden you would love to show?

Subject to sufficient support from gardeners, we are planning to hold the Frogmore Open Gardens Afternoon on either 6 or 13 June 2027. The event would run from 2-5pm.

There will also be a plant sale in the hall. So, all green fingered gardeners, now will be the time to start taking cuttings and grow plants to sell and raise more funds for the village. There will also be tea or coffee served as well as cakes. This would be very much appreciated.

In the New Year edition of the Croak, we will be asking you to contact us if you are interested in opening your garden.

FROGMORE FUN DAY AND BBQ

SATURDAY 8TH AUGUST

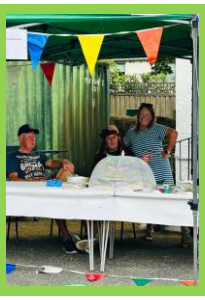

We all had such a good time at the Frogmore Fun Day, especially the children! The theme was nautical, so some of us wore fancy dress. There were lots of games to keep the children happy – top game was Soaking the Villain in the Stocks and the children were delighted to soak a pirate or villain with sponges full of water– see photos! So much fun was had!

A BBQ was prepared by our chef, Anthony Greenwood with salmon, lamb and sausages with different salads, BBQ'd corn on the cob, and bread. There were several puddings made by volunteers and the FVCA. Lots to drink too. Children under 10 years could have the BBQ and pudding free.

The weather being good, the BBQ was held outside and very much enjoyed. Lots of adults there too, so a convivial time was had – and even 2 pirates sailed up the Creek to attend!

Thanks very much to all who helped make the day special.
